Comment

The following is an examiner's comment on this allowance: the invention relates to fluorescent probes as set forth in the claims. The rejections of the claims in the last Office action are withdrawn due to the amendment of the claims and the argument filed 10/9/08. The statement of denial of priority in the previous communication is now withdrawn. The priority is deemed valid.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
